GREETINGS!

You are invited to join us this October at the Kids Classic Golf Tournament benefiting the San Diego Center for Children! Our fundraising goal for this year is to raise over \$125,000 for the Center through sponsorships and donations.

San Diego Center for Children is the leading children's nonprofit mental healthcare provider serving the region. Our compassionate team of providers is dedicated to improving the lives of children and families through effective and comprehensive outpatient, residential, and educational mental health programs. We provide a more hopeful and meaningful path to a better future for thousands of families every year; and we've been doing it since 1887.

This year's event will take place on Friday, October 3rd, 2025 at the Rancho Bernardo Inn. Registration starts at 8:00AM with a 10:00AM shotgun start.

In order to maximize fundraising for this event, we are asking your organization to consider a sponsorship for this year's tournament.

We look forward to your participation in the tournament. With your help, we can continue working to grow the impact of the programs and services offered through the San Diego Center for Children. Because when a child with mental, emotional, or behavioral health challenges receives help, everyone benefits. A child's success means success for their family, and an empowered family means a healthier, more mindful community for all.

Thank you for your consideration and we look forward to a day filled with golf, networking and fun!

Sincerely,
Kristi
